

Hello it's me ~ Can we still be friends

Hello it's me
I've thought about us for a long long time
Maybe I think too much but something's wrong
There's something here that doesn't last too long
Maybe I shouldn't think of you as mine

Seeing you
or seeing anything as much as I do you
I take for granted that you're always there
I take for granted that you just don't care
Sometimes I can't help seeing all the way through

(all the way through all the way through)

Think of me Think of me

(It's important to me)

if I could if I could

(that you know you are free)

to see you to see you **(Cause I)**

never want to make you change for me

Think of me
you know that I'd be with you if I could
I'll come around to see you once in a while
Or if I ever need a reason to smile
And spend the night if you think I should
(think I should think I should)

We can't play this game any more
But can we still be friends
Things just can't go on like before
But can we still be friends
We had something to learn
Now it's time for the wheel to turn
Things are said one by one
Before you know it all gone

Let's admit we made a mistake
But can we still be friends
Heartbreak's never easy to take
But can we still be friends
It's a strange sad affair
Sometimes seems like we just don't care
Don't waste time feeling hurt
We've been through hell together

La la la ,La la la,La la la,

We awoke from our dream
Things are not always what they seem
Memories they wear on
It's like a sweet sad old song
